

We are Re-opening June 16th!

We can't wait to see you again!

We are grateful for your continued support and loyalty during these unprecedented and difficult times. During our downtime, we have been working with the National Assistance League, the SLO Chamber of Commerce, and state and local government agencies to figure out how we can better serve our community. When we re-open on June 16th, here are the protocols that we will be following to ensure your health and safety.

- All volunteer members will undergo temperature checks prior to working and will wear masks and gloves while working.
- Customers will be asked to wear masks while shopping and will be provided a mask if they do not have one.
- Hand sanitizer will be available at the front door and at checkout.
- A plexiglass shield has been installed in front of the cash register and touchless checkout is possible.
- The number of customers will be limited so that social distancing may be maintained.
- We are using recommended procedures to ensure that all donations are safe to put on the sales floor.
- Cleaning and disinfecting protocols will be followed throughout the day.

As you can see, we are taking every precaution to make sure that our community recovers quickly and that you have the best possible shopping experience. We hope to see you soon.

Please note our new store hours:

Tuesday – Saturday

11:00 – 4:00
